BECKWITH'S ANTI-DYSPEPTIC PILLS have been most successfully employed in almost every variety of functional disorder of the stomach, howels, liver, and spleen; such as heartburn, acid cructations, nausea, headache, pain and distension of the stomach and bowels, incipient diarrhea, colic, jaundice, fastelency, habitual costiveness, loss of appetite, sick headache, sea-sickness, &c., &c. They are a safe and comfortable aperient for females during pregnancy and subsequent confidement; relieving sickness at the stomach, headache, heartburn and many of the incidental nervous affections. Literary men, students, and most other persons of sedentary habitus, find them very convenient. Those who indulge too freely in the pleasures of the table find speedy relief from the sense of oppression and distension which follow, by taking the pills. As a dinner pill, they are invaluable. Those who are drinking unneral waters, and particularly those from southern climates, ague and fever districts, will find them a blich follow, by taking the plus. As a timer purchery are invaluable. Those who are drinking mineral waters, and particularly those from southern limates, ague and fever districts, will find them a aluable adjunct. Those who are exposed to the icassitudes of weather on voyages or journeys, can ake them at all times with perfect safety. In full loses they are a highly efficacious and safe anti-tilious medicine. They seldom or never produce ickness at the stomach or griping.

There have been many imitations and worthless outherfeits of these pills put in circulation by unswincipled and ignorant persons—the directions, wrappers, &c., of the genuine pills so closely and accurately copied, that the closest observer could not, without a trial of their effects, distinguish between hem.

m. Dr. T. W. Drott & Sons, of the Columbian col-e, 131 N. 2nd street, Philadelphia, having under-ten and been appointed by Dr. Beckwith sole ints for the United States, for the sale of the ove pills, the public are informed that they can be opplied with the genuine article in any quantity at same price as by the proprietor, by applying as

bove.

N. B. To guard against counterfeits, all the pills urnished by the sole agents, are put in dozen packages, with a blue engiaved label, (White letters,) BECKWITH'S ANTI-DYSPECTIC PILLS, P. W. DYOTT, & SONS, sole agents for the pro-

prietor.

Certificates having for several years accompanied each box, and the public being now familiar with the kind of testimony in possession of the proprietor, he has thought it no longer necessary to publish them, but simply to give a list of references (from among many) to gentlemen, who, from personal experience of the efficacy of the pills, are willing to recommend them to their friends.
